

PLATINIUM TRAINING PACKAGE

Approximately ten to twelve days training covering the following:

Silver and Gold Training Packages PLUS:

- Safe sailing in poor weather conditions
- Advanced coastal navigation (day and evening)
- Understanding coastal features and local weather effects
- Emergency situations – recovery by day and night (power & sail)
- Efficient maintenance of the vessel and her systems

All sail instruction is based on RYA teaching methods and is designed to help to prepare you for your next RYA Qualification Test.
